Here is a brief explanation of how to distinguish a sponsor:

Sponsor: The Association

Through contribution or levels offered an "Association Sponsor" is assured the monies collected are going directly back to the JDF Lacrosse Association as a whole entity.
A sponsor of this caliber will have Association Recognition as detailed in the Levels described.

Sponsor: The Team

To be a 'Team Sponsor' will mean that the particular team who receives your money will be responsible to give you the 'Team Sponsor' recognition in a form agreed upon. Team sponsors may not have any advertising on any items of clothing or equipment used by the children. This is reserved for association sponsors only.
N.B.: NO BUSINESS NAMES or LOGOS ARE TO APPEAR ON JDF JERSEYS AT ANY TIME and/or ANY OTHER ITEM THAT IS WORN IN CONJUCTION WITH A JDF JERSEY DURING GAMES.

Below is a brief description of each association sponsorship level.
