

**JUAN DE FUCA LACROSSE ASSOCIATION
1767 ISLAND HIGHWAY
VICTORIA B.C
V9B-1J1.**

As the new sponsorship coordinator for Juan De Fuca lacrosse association, I would like to welcome back our wonderful sponsors from the 2009 season and also invite new businesses to join in on the fastest game on two feet. JDF is the fastest growing association on Vancouver Island and our anticipated numbers of registrants for the 2010 season is an estimated 500 minors.

As a mother of 3 boys, 2 of whom are still active participants of JDFLA, I have spent the last 9 years connected with this association and have seen firsthand the benefits to having returning and potential sponsors such as yourselves. We depend so much on financial support from the community, as well as the players' registration fees and Provincial gaming monies. With financial support from our sponsors, we are able to keep registration fees to a minimum therefore enabling many children, who may not be able otherwise, to play this great Canadian sport.

The benefit for a potential sponsor in the West shore is huge. Most of our families live, work and shop here and we encourage our families to use our sponsors products at every available opportunity. By becoming a sponsor, you will be impacting the lives of approx. 500 families with children aged 5-17 years old along with their brothers, sisters, Grandparents, friends, etc. To view our proud list of 2006 sponsors, please feel free to view our website www.jdf lacrosse.com

If you require any further information in regard to this or any other matter, please do not hesitate in contacting me.

Thank you in advance for your support!

Yours sincerely

Lucy-Ann Smith
