I am truly grateful to have been nominated for the position of Secretary with the Juan de Fuca Lacrosse Association, and I would like to formally accept my nomination.

Over the past several years, JDF Lacrosse has become much more than just an association my family is involved with. It has become something I am incredibly passionate about, and I take great pride in being part of a community that provides so many opportunities and experiences for our young athletes.

I have had the privilege of serving as Head Manager for the past several years and, most recently, as a Division Director during our field lacrosse season. Throughout this time, I have also volunteered in numerous other capacities, always doing my best to step in wherever help is needed.

As Head Manager, I have worked closely with team managers, coaches, division directors, and executive members throughout both box and field seasons. My responsibilities have included supporting and guiding managers, assisting with policies and procedures, coordinating communication, maintaining records and documentation, preparing association paperwork, organizing meetings, coordinating photo days, assisting with awards and events, and helping manage the many behind-the-scenes responsibilities that keep our association running smoothly.

My experience as Division Director has further strengthened my communication, organizational, leadership, and problem-solving skills. It has also given me a deeper understanding of the challenges and responsibilities involved in supporting our players, families, coaches, and volunteers.

Beyond JDF, I have also been involved in other lacrosse programs, gaining additional experience in team management, scheduling, communication, and event coordination.

I believe these experiences have prepared me well for the role of Secretary. I am organized, dependable, detail-oriented, and committed to following through on the responsibilities I take on. I understand the importance of accurate recordkeeping, confidentiality, clear communication, and working collaboratively as part of an executive team.

However, what I believe I bring most to this position goes beyond my experience. It is my genuine dedication to our players, our families, and the future of JDF Lacrosse.

The kids have always been my biggest reason for being involved. I strongly believe every child deserves the opportunity to learn, develop, build confidence, create friendships, and feel that they belong. Lacrosse is about so much more than wins and losses. It teaches valuable life lessons and creates memories and relationships that can last a lifetime.

I care deeply about ensuring our association continues to be a place where players feel supported, families feel heard, volunteers feel appreciated, and everyone has the opportunity to contribute to something positive.

I believe in fairness, accountability, respectful communication, and working together to make decisions that are in the best interests of our players and the association as a whole. I also believe there is always room to learn, improve, and grow, and I would welcome the opportunity to contribute to that continued growth.

I don't volunteer for a title or recognition. I volunteer because I genuinely care about this association, the people involved, and the opportunities we provide for our kids.

If elected as Secretary, I would bring the same dedication, compassion, work ethic, and commitment that I have brought to my previous roles. I would be proud to continue supporting our executive and membership while helping build a strong, positive future for JDF Lacrosse.

Thank you for considering me for the position of Secretary. I would be grateful for the opportunity to continue giving back to an association that means so much to me.

Thank you,
Alicia Hayes
